Using the Map

The Metro System Route Maps show all Metrobus routes and Metrorail lines operated by the Washington Metropolitan Area Transit Authority. There are two versions of the map. This side of the map shows service operated in the District of Columbia. The reverse side of the map shows service operated in either Maryland or Virginia depending on the version of the map you purchased. Many local governments operate bus service or commuter rail service independently of the Metro System. These services are also shown on the maps.

Uso del Mapa

Los mapas de las rutas del sistema Metro indican todas las rutas de Metrobus y líneas de Metrorail que opera la autoridad de transporte público Washington Metropolitan Area Transit Authority. Existen dos versiones del mapa. Este lado del mapa muestra el servicio ofrecido dentro del Distrito de Columbia. El dorso del mapa muestra el servicio que se ofrece en Maryland o en Virginia, según la version del mapa que Ud. Haya comprado independiente del sistema Metro, muchos gobiernos locales ofrecen servicio de autobus o de tren suburbano. Estos servicios tambien se detallan en los mapas.

The Metrobus System

Each Metro Route shown on the map is color-coded. The Service Guides list the individual routes, the extreme end points, or terminals, of the routes and the time periods when the service operates. This map shows the principal service for each route. For variations, short trips and specific times, consult a timetable which is available for each route.

El Sistema Metrobus

Cada ruta de Metrobus que aparece en el mapa tiene un color caracacteristico. Las Guías de Servicio muestran las rutas individuales, los puntos finales de cada recorrido o terminales de cada ruta y el horario del servicio. Este mapa muestra el servicio principal de cada ruta. Para mayor información sobre viajes cortos, horas específicas y otros cambios, consulte el horario que está disponible para cada ruta.

The Metrorail System

Metrorail lines are shown on the map by heavy black lines. Metrorail stations are labeled and designated with an M inside a colored square Ⓜ denoting the color of the line or lines that serve the station. Metrorail operates seven days a week. On weekdays, stations open at 5:30 a.m. On Saturdays and Sundays, stations open at 8:00 a.m. Stations close at midnight Sunday through Thursday and at 2:00 a.m. on Friday and Saturday nights.

El Sistema Metrorail

Las líneas de Metrorail aparecen marcadas en el mapa en líneas negras gruesas. Las estaciónes de Metrorail se distinguen porque están señaladas con una letra Ⓜ dentro de un cuadrado coloreado que muestra el color de la línea o líneas que circulan por esa estación. El Metrorail está en servicio los siete días por semana. Durante la semana, las estaciones abren a las 5:30 AM. Los sábados y los domingos, las estaciones abren a las 8:00 AM. Las estaciones cierran a medianoche del domingo al jueves y a las 2:00 AM los viernes y los sábados.

Fares

On Metrobus, you pay $1.10 on regular routes and $2.00 on express routes at all times, regardless of distance traveled. Exact fare is required when boarding. Metrobus operators do not make change. Bus-to-bus transfers are free and are valid for two hours for roundtrips, stopovers and changing to another bus. With a Metrorail transfer, you pay 25¢ on regular Metrobus routes and $1.15 on express routes. Get your free Metrorail transfer at the station where you start your trip. Most local bus systems also provide a discount with a Metrorail transfer. On Metrorail, fares are determined by the distance you travel and the time you enter the Metrorail system. Regular fares are charged on weekdays from the time the station opens to 9:30 a.m. and from 3 to 7 p.m. Reduced fares are in effect at all other times.

Las tarifas regulares rigen desde la hora que abre la estación hasta las 9:30 de la mañana y de las 3:00 de la tarde a las 7:00 de la noche. Las tarifas reducidas se aplican el resto del tiempo.

- ☐ Use the map to find the stops closest to where you will get on and off the bus.
- ☐ Select the schedule (weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- ☐ Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- ☐ If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- ☐ The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Welcome to Metrobus

Here are some tips to make your ride on Metrobus easy and quick.

- Each customer must pay a fare. Up to two children under age five may ride free with a paying customer.
- Please have exact fare (when paying with cash), a valid weekly bus pass, a valid transfer or a SmarTrip® card ready when boarding.
- If you will be riding another bus within a two-hour time period following your first bus trip, ask the bus operator for a transfer. It allows you to ride free on the second bus. The regional bus systems — Metrobus, ART, TheBus, Connect-A-Ride, CUE, DASH, DC Circulator, Fairfax Connector, George, PRTC OmniRide/OmniLink and Ride On — honor each other's transfers, but you must pay the difference in fare if you transfer from a lower priced route to a higher priced route.
- If standing, please stay behind the yellow line on the floor and hold a handrail securely.
- Priority seats by the door are reserved for senior citizens and people with disabilities.
- To alert the bus operator that you want to get off at the next stop, pull the cord that runs along the top of the windows or press the button on the handrail leading out the back door.
- Planning to ride Metrobus regularly? Consider buying a SmarTrip® card. It makes paying your fare and transferring easier and faster. Plus, it saves you 10¢ every time you ride Metrobus. For information about buying a SmarTrip® card, visit MetroOpensDoors.com or call 202-637-7000 (TTY 202-638-3780).
- To ensure a pleasant ride for everyone, please do not:
  - Eat or drink
  - Smoke
  - Spit or litter
  - Play audio or video equipment without earphones
  - Bring animals (except service animals) onto Metrobus

Bienvenido a su Metrobus

Los siguientes son algunos consejos para hacer los viajes más fáciles y rápidos para usted y los demás clientes

- Cada cliente debe pagar por un boleto, y hasta dos niños menores de cinco años pueden viajar gratis con un cliente que haya pagado por un boleto.
- Por favor tenga a la mano el costo exacto del boleto cuando pague en efectivo, o tenga listo un pase semanal válido, un boleto de transbordo válido o una tarjeta SmarTrip® al momento de abordar.
- Si necesita hacer transbordo a otro autobús, pida un boleto de transbordo al conductor del autobús, el cual le permitirá viajar gratis en un período de dos horas (según lo indicado en su boleto de transbordo) después de su primer viaje en autobús. Si utiliza una tarjeta SmarTrip® para pagar su tarifa y si el transbordo será a Metrobus o a DC Circulator, no necesitará un boleto de transbordo en papel porque su tarjeta SmarTrip "sabe" que usted hará el transbordo y no deducirá el valor del viaje en el segundo autobús.
- Los sistemas de autobuses regionales - Metrobus, ART, TheBus, Connect-A-Ride, CUE, DASH, DC Circulator, Fairfax Connector, George, PRTC OmniRide/OmniLink y Ride On – aceptan los boletos de transbordo entre sí. Sin embargo, debe obtener un boleto de transbordo en papel y pagar la diferencia en la tarifa si el transbordo es de una ruta de menor costo a una ruta de mayor costo.
- Si viaja parado, por su seguridad por favor permanezca detrás de la línea amarilla marcada en el piso, y sujete firmemente un pasamano.
- Por favor tome nota de que los asientos prioritarios situados cerca de la puerta están reservados para los clientes con impedimentos y para las personas de edad avanzada.
- Para alertar al conductor del autobús de que usted desea salir del autobús en la siguiente parada, tire del cable instalado a lo largo de las ventanas superiores, o presione el botón del pasamano que le guía hacia la puerta posterior.
- Para asegurar un viaje placentero para todos, por favor sepa que no puede:
  - Comer o beber
  - Fumar
  - Escupir o arrojar basura
  - Utilizar equipos de audio o video, a menos que tenga audífonos
  - Traiga animales (excepto animales de servicio) cuando viaje en el Metrobus

Bienvenido a su Metrobus

Éstos son algunos consejos prácticos para que su viaje en Metrobus sea rápido y sencillo.

- Todos los pasajeros deben pagar la tarifa. Con cada pasajero que pague, pueden viajar gratuitamente hasta dos niños menores de cinco años.
- Tenga a la mano el costo exacto del boleto (cuando pague en efectivo), o un pase o tarjeta SmarTrip® válidos al momento de abordar.
- Para las transferencias de autobús a tren o de tren a autobús, Metro (como la mayoría de los sistemas de autobuses regionales) ofrece un descuento de 50¢ en el segundo viaje. Las transferencias entre autobuses son gratuitas a menos que el segundo autobús cueste más que el primero, en cuyo caso deberá pagar la diferencia. IMPORTANTE: Para realizar transferencias en forma gratuita o con descuento, deberá pagar la tarifa con una tarjeta SmarTrip®. No obtendrá este beneficio si paga en efectivo. El período de transferencia es de dos horas entre el inicio del primer viaje y el inicio del segundo.
- Si viaja de pie, permanezca detrás de la línea amarilla y sujétese firmemente del pasamanos.
- Los asientos prioritarios están reservados para las personas de edad avanzada y discapacitadas.
- Para avisar al conductor del autobús que desea bajar del autobús en la siguiente parada, tire del cable situado a lo largo de la parte superior de las ventanillas o presione el botón del pasamanos que conduce hacia la salida por la puerta posterior.
- ¿Planea viajar en Metrobus en forma habitual? Una tarjeta SmarTrip le permite pagar en forma más rápida. Para obtener más información acerca de SmarTrip®, visite www.wmata.com o llame al 202-637-7000 (TTY/teléfono de texto 202-638-3780).
- Para asegurar un viaje agradable para todos, es ilegal:
  - ➤ Comer o beber
  - ➤ Fumar
  - ➤ Escupir o arrojar basura
  - ➤ Utilizar equipos de audio o video sin audífonos
  - ➤ Subir al Metrobus con animales (con excepción de los animales de servicio)

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

- ❑ If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- ❑ The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Bienvenido a su Metrobus

Éstos son algunos consejos prácticos para que su viaje en Metrobus sea rápido y sencillo.

- Todos los pasajeros deben pagar la tarifa. Con cada pasajero que pague, pueden viajar gratuitamente hasta dos niños menores de cinco años.
- Tenga a la mano el costo exacto del boleto (cuando pague en efectivo), o un pase o tarjeta SmarTrip® válidos al momento de abordar.
- Para las transferencias de autobús a tren o de tren a autobús, Metro (como la mayoría de los sistemas de autobuses regionales) ofrece un descuento de 50¢ en el segundo viaje. Las transferencias entre autobuses son gratuitas a menos que el segundo autobús cueste más que el primero, en cuyo caso deberá pagar la diferencia. IMPORTANTE: Para realizar transferencias en forma gratuita o con descuento, deberá pagar la tarifa con una tarjeta SmarTrip®. No obtendrá este beneficio si paga en efectivo. El período de transferencia es de dos horas entre el inicio del primer viaje y el inicio del segundo.
- Si viaja de pie, permanezca detrás de la línea amarilla y sujétese firmemente del pasamanos.
- Los asientos prioritarios están reservados para las personas de edad avanzada y discapacitadas.
- Para avisar al conductor del autobús que desea bajar del autobús en la siguiente parada, tire del cable situado a lo largo de la parte superior de las ventanillas o presione el botón del pasamanos que conduce hacia la salida por la puerta posterior.
- ¿Planea viajar en Metrobus en forma habitual? Con una tarjeta SmarTrip®, puede ahorrar 20¢ en la tarifa del autobús cada vez que la utilice. Además, le permite pagar en forma más rápida. Para obtener más información acerca de SmarTrip®, visite www.wmata.com o llame al 202-637-7000 (TTY/teléfono de texto 202-638-3780).
- Para asegurar un viaje agradable para todos, es ilegal:
  - ➤ Comer o beber
  - ➤ Fumar
  - ➤ Escupir o arrojar basura
  - ➤ Utilizar equipos de audio o video sin audífonos
  - ➤ Subir al Metrobus con animales (con excepción de los animales de servicio)

Welcome to Metrobus

Here are some tips to make your ride on Metrobus easy and quick.

- Each customer must pay a fare. Up to two children under age five may ride free with a paying customer.
- Please have exact fare (when paying with cash), a valid bus pass or a SmarTrip® card ready when boarding.
- When transferring from bus-to-rail or rail-to-bus, Metro (and most regional bus systems) offers a 50¢ discount on the second trip. Transfers from bus-to-bus are free as long as the second bus does not cost more than the first bus. If it does, you must pay the difference. IMPORTANT: To get the discounted or free transfer, you must pay your fare with a SmarTrip® card. If you pay with cash, you will not get the discounted or free transfer. The transfer period is two hours between the start of the first trip and the start of the second trip.
- If standing, please stay behind the yellow line and hold a handrail securely.
- Priority seats are reserved for senior citizens and people with disabilities.
- To alert the bus operator that you want to get off at the next stop, pull the cord that runs along the top of the windows or press the button on the handrail leading out the back door.
- Are you planning to use Metrobus regularly? A SmarTrip® card saves you 20¢ on your bus fare every time you use it. And it makes paying your fare faster. For more information about SmarTrip®, visit www.wmata.com or call 202-637-7000 (TTY 202-638-3780).
- To ensure a pleasant ride for everyone, it is unlawful to:
  - ➤ Eat or drink
  - ➤ Smoke
  - ➤ Spit or litter
  - ➤ Play audio or video equipment without earphones
  - ➤ Bring animals (except service animals) onto Metrobus

How to use this timetable

- ➤ Use the map to find the stops closest to where you will get on and off the bus.
- ➤ Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- ➤ Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- ➤ If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- ➤ The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- ➤ Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- ➤ Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- ➤ Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- ➤ Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- ➤ El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

How to use this timetable

- ➤ Use the map to find the stops closest to where you will get on and off the bus.
- ➤ Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- ➤ Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- ➤ If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- ➤ The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- ➤ Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- ➤ Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- ➤ Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- ➤ Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- ➤ El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

METRO FACTS

How to use this schedule

First, look at the map. Find the stops along the route closest to your origin and destination points. Next, find the schedule block for the day (weekday, Saturday or Sunday) and the direction you want to travel. On that schedule block, find the intersection closest to your destination. Follow this column down until you find the time that is closest to when you want to arrive. Then move left across the page. Stop at the column listed under your starting point. This is the time you should be at the bus stop to board your bus. For a stop not listed, use the time for the stop just before yours as the time you should be at your bus stop. A stop listed in bold at the top of the schedule indicates it is the *end-of-the-line* for some trips. It is easy to identify the last stop on a trip—it is bold on the schedule and shown on the front and sides of Metrobuses.

Note: Schedules may change without notice. Please call Customer Information to verify schedule information.

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

Using this timetable

☐ Use the map to find the stops closest to where you will get on and off the bus.

☐ Select the schedule (weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.

☐ Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.

☐ If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.

☐ The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

How to use this timetable

- ➤ Use the map to find the stops closest to where you will get on and off the bus.
- ➤ Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.

Bienvenido a su Metrobus

Los siguientes son algunos consejos para hacer los viajes más fáciles y rápidos para usted y los demás clientes

- Cada cliente debe pagar por un boleto, y hasta dos niños menores de cinco años pueden viajar gratis con un cliente que haya pagado por un boleto.
- Por favor tenga a la mano el costo exacto del boleto cuando pague en efectivo, o tenga listo un pase semanal válido, un boleto de transbordo válido o una tarjeta SmarTrip® al momento de abordar.
- Si necesita hacer transbordo a otro autobús, pida un boleto de transbordo al conductor del autobús, el cual le permitirá viajar gratis en un período de dos horas (según lo indicado en su boleto de transbordo) después de su primer viaje en autobús. Si utiliza una tarjeta SmarTrip® para pagar su tarifa y si el transbordo será a Metrobus o a DC Circulator, no necesitará un boleto de transbordo en papel porque su tarjeta SmarTrip "sabe" que usted hará el transbordo y no deducirá el valor del viaje en el segundo autobús.
- Los sistemas de autobuses regionales - Metrobus, ART, TheBus, Connect-A-Ride, CUE, DASH, DC Circulator, Fairfax Connector, George, PRTC OmniRide/OmniLink y Ride On – aceptan los boletos de transbordo entre sí. Sin embargo, debe obtener un boleto de transbordo en papel y pagar la diferencia en la tarifa si el transbordo es de una ruta de menor costo a una ruta de mayor costo.
- Si viaja parado, por su seguridad por favor permanezca detrás de la línea amarilla marcada en el piso, y sujete firmemente un pasamano.
- Por favor tome nota de que los asientos prioritarios situados cerca de la puerta están reservados para los clientes con impedimentos y para las personas de edad avanzada.
- Para alertar al conductor del autobús de que usted desea salir del autobús en la siguiente parada, tire del cable instalado a lo largo de las ventanas superiores, o presione el botón del pasamano que le guía hacia la puerta posterior.
- Para asegurar un viaje placentero para todos, por favor sepa que no puede:
  - Comer o beber
  - Fumar
  - Escupir o arrojar basura
  - Utilizar equipos de audio o video, a menos que tenga audífonos
  - Traiga animales (excepto animales de servicio) cuando viaje en el Metrobus

Welcome to your Metrobus

Here are some tips to make riding easy and quick for you and your fellow customers

- Each customer must pay a fare. Up to two children under age five may ride free with a fare-paying customer.
- Please have exact fare when paying with cash, a valid weekly bus pass, a valid transfer or a SmarTrip® card ready when boarding.
- If you will be transferring to another bus, ask the bus operator for a transfer. It allows you to ride free within a two-hour time period (as shown on your transfer) following your first bus trip. If you use a SmarTrip® card to pay your fare and are transferring to Metrobus or DC Circulator, you do not need a paper transfer because your SmarTrip card "knows" that you are transferring and will not deduct value on the second bus.
- The regional bus systems - Metrobus, ART, TheBus, Connect-A-Ride, CUE, DASH, DC Circulator, Fairfax Connector, George, PRTC OmniRide/OmniLink and Ride On - honor each other's transfers. However, you must get a paper transfer and pay the difference in fare if you transfer from a lower priced route to a higher priced route.
- If standing, for your safety please stay behind the yellow line on the floor and hold a handrail securely.
- Please note that priority seats by the door are reserved for customers with disabilities and senior citizens.
- To alert the bus operator that you want to get off at the next stop, pull the cord that runs along the top of the windows or press the button on the handrail leading out the back door.
- To ensure a pleasant ride for everyone, please do not:
  - Eat or drink
  - Smoke
  - Spit or litter
  - Play audio or video equipment without earphones
  - Bring animals (except service animals) onto Metrobus

Bienvenido a su Metrobus

Éstos son algunos consejos prácticos para que su viaje en Metrobus sea rápido y sencillo.

- Todos los pasajeros deben pagar la tarifa. Con cada pasajero que pague, pueden viajar gratuitamente hasta dos niños menores de cinco años.
- Tenga a la mano el costo exacto del boleto (cuando pague en efectivo), o un pase o tarjeta SmarTrip® válidos al momento de abordar.
- Para las transferencias de autobús a tren o de tren a autobús, Metro (como la mayoría de los sistemas de autobuses regionales) ofrece un descuento de 50¢ en el segundo viaje. Las transferencias entre autobuses son gratuitas a menos que el segundo autobús cueste más que el primero, en cuyo caso deberá pagar la diferencia. IMPORTANTE: Para realizar transferencias en forma gratuita o con descuento, deberá pagar la tarifa con una tarjeta SmarTrip®. No obtendrá este beneficio si paga en efectivo. El período de transferencia es de dos horas entre el inicio del primer viaje y el inicio del segundo.
- Si viaja de pie, permanezca detrás de la línea amarilla y sujétese firmemente del pasamanos.
- Los asientos prioritarios están reservados para las personas de edad avanzada y discapacitadas.
- Para avisar al conductor del autobús que desea bajar del autobús en la siguiente parada, tire del cable situado a lo largo de la parte superior de las ventanillas o presione el botón del pasamanos que conduce hacia la salida por la puerta posterior.
- ¿Planea viajar en Metrobus en forma habitual? Una tarjeta SmarTrip le permite pagar en forma más rápida. Para obtener más información acerca de SmarTrip®, visite www.wmata.com o llame al 202-637-7000 (TTY/teléfono de texto 202-962-2033).
- Para asegurar un viaje agradable para todos, es ilegal:
    - Comer o beber
    - Fumar
    - Escupir o arrojar basura
    - Utilizar equipos de audio o video sin audífonos
    - Subir al Metrobus con animales (con excepción de los animales de servicio)

Welcome to Metrobus

Here are some tips to make your ride on Metrobus easy and quick.

- Each customer must pay a fare. Up to two children under age five may ride free with a paying customer.
- Please have exact fare (when paying with cash), a valid bus pass or a SmarTrip® card ready when boarding.
- When transferring from bus-to-rail or rail-to-bus, Metro (and most regional bus systems) offers a 50¢ discount on the second trip. Transfers from bus-to-bus are free as long as the second bus does not cost more than the first bus. If it does, you must pay the difference. IMPORTANT: To get the discounted or free transfer, you must pay your fare with a SmarTrip® card. If you pay with cash, you will not get the discounted or free transfer. The transfer period is two hours between the start of the first trip and the start of the second trip.
- If standing, please stay behind the yellow line and hold a handrail securely.
- Priority seats are reserved for senior citizens and people with disabilities.
- To alert the bus operator that you want to get off at the next stop, pull the cord that runs along the top of the windows or press the button on the handrail leading out the back door.
- Are you planning to use Metrobus regularly? A SmarTrip® card makes paying your fare faster. For more information about SmarTrip®, visit www.wmata.com or call 202-637-7000 (TTY 202-962-2033).
- To ensure a pleasant ride for everyone, it is unlawful to:
    - Eat or drink
    - Smoke
    - Spit or litter
    - Play audio or video equipment without earphones
    - Bring animals (except service animals) onto Metrobus

On four Federal holidays, Columbus Day, Veterans' Day, Martin L. King Day, and Presidents' Day, Metrobus will run on a Saturday supplemental schedule. On these holidays, all Saturday trips will operate.

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

How to use this timetable

- ➤ Use the map to find the stops closest to where you will get on and off the bus.
- ➤ Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- ➤ Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- ➤ If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- ➤ The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- ➤ Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- ➤ Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- ➤ Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- ➤ Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- ➤ El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

Welcome to your Metrobus

Here are some tips to make riding easy and quick for you and your fellow customers

- Each customer must pay a fare. Up to two children under age five may ride free with a fare-paying customer.
- Please have exact fare when paying with cash, a valid weekly bus pass, a valid transfer or a SmarTrip® card ready when boarding.
- If you will be transferring to another bus, ask the bus operator for a transfer. It allows you to ride free within a two-hour time period (as shown on your transfer) following your first bus trip. If you use a SmarTrip® card to pay your fare and are transferring to Metrobus or DC Circulator, you do not need a paper transfer because your SmarTrip card "knows" that you are transferring and will not deduct value on the second bus.
- The regional bus systems - Metrobus, ART, TheBus, Connect-A-Ride, CUE, DASH, DC Circulator, Fairfax Connector, George, PRTC OmniRide/OmniLink and Ride On - honor each other's transfers. However, you must get a paper transfer and pay the difference in fare if you transfer from a lower priced route to a higher priced route.
- If standing, for your safety please stay behind the yellow line on the floor and hold a handrail securely.
- Please note that priority seats by the door are reserved for customers with disabilities and senior citizens.
- To alert the bus operator that you want to get off at the next stop, pull the cord that runs along the top of the windows or press the button on the handrail leading out the back door.
- To ensure a pleasant ride for everyone, please do not:
  - Eat or drink
  - Smoke
  - Spit or litter
  - Play audio or video equipment without earphones
  - Bring animals (except service animals) onto Metrobus

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

Bienvenido a su Metrobus

tos son algunos consejos prácticos para que su viaje en etrobus sea rápido y sencillo.

- Todos los pasajeros deben pagar la tarifa. Con cada pasajero que pague, pueden viajar gratuitamente hasta dos niños menores de cinco años.
- Tenga a la mano el costo exacto del boleto (cuando pague en efectivo), o un pase o tarjeta SmarTrip® válidos al momento de abordar.
- Para las transferencias de autobús a tren o de tren a autobús, Metro (como la mayoría de los sistemas de autobuses regionales) ofrece un descuento de 50¢ en el segundo viaje. Las transferencias entre autobuses son gratuitas a menos que el segundo autobús cueste más que el primero, en cuyo caso deberá pagar la diferencia. IMPORTANTE: Para realizar transferencias en forma gratuita o con descuento, deberá pagar la tarifa con una tarjeta SmarTrip®. No obtendrá este beneficio si paga en efectivo. El período de transferencia es de dos horas entre el inicio del primer viaje y el inicio del segundo.
- Si viaja de pie, permanezca detrás de la línea amarilla y sujétese firmemente del pasamanos.
- Los asientos prioritarios están reservados para las personas de edad avanzada y discapacitadas.
- Para avisar al conductor del autobús que desea bajar del autobús en la siguiente parada, tire del cable situado a lo largo de la parte superior de las ventanillas o presione el botón del pasamanos que conduce hacia la salida por la puerta posterior.
- ¿Planea viajar en Metrobus en forma habitual? Una tarjeta SmarTrip le permite pagar en forma más rápida. Para obtener más información acerca de SmarTrip®, visite www.wmata.com o llame al 202-637-7000 (TTY/teléfono de texto 202-638-3780).

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

METRO FACTS

How to use this schedule

First, look at the map. Find the stops along the route closest to your origin and destination points. Next, find the schedule block for the day (weekday, Saturday or Sunday) and the direction you want to travel. On that schedule block, find the intersection closest to your destination. Follow this column down until you find the time that is closest to when you want to arrive. Then move left across the page. Stop at the column listed under your starting point. This is the time you should be at the bus stop to board your bus. For a stop not listed, use the time for the stop just before yours as the time you should be at your bus stop. A stop listed in bold at the top of the schedule indicates it is the *end-of-the-line* for some trips. It is easy to identify the last stop on a trip—it is bold on the schedule and shown on the front and sides of Metrobuses.

Note: Schedules may change without notice. Please call Customer Information to verify schedule information.

Sunday schedules are operated on these holidays: New Year's Day, Memorial Day, Labor Day, Thanksgiving Day and Christmas Day.

Rider Etiquette

When boarding, have your pass or exact cash in hand. Metrobus operators do not carry money. Move to the rear of the bus to avoid crowding at the front and stand behind the white line. How to use this timetable

- ➤ Use the map to find the stops closest to where you will get on and off the bus.
- ➤ Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- ➤ Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- ➤ If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- ➤ The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- ➤ Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- ➤ Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- ➤ Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- ➤ Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- ➤ El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

Bienvenido a su Metrobus

Éstos son algunos consejos prácticos para que su viaje en Metrobus sea rápido y sencillo.

- Todos los pasajeros deben pagar la tarifa. Con cada pasajero que pague, pueden viajar gratuitamente hasta dos niños menores de cinco años.
- Tenga a la mano el costo exacto del boleto (cuando pague en efectivo), o un pase o tarjeta SmarTrip® válidos al momento de abordar.
- Para las transferencias de autobús a tren o de tren a autobús, Metro (como la mayoría de los sistemas de autobuses regionales) ofrece un descuento de 50¢ en el segundo viaje. Las transferencias entre autobuses son gratuitas a menos que el segundo autobús cueste más que el primero, en cuyo caso deberá pagar la diferencia. IMPORTANTE: Para realizar transferencias en forma gratuita o con descuento, deberá pagar la tarifa con una tarjeta SmarTrip®. No obtendrá este beneficio si paga en efectivo. El período de transferencia es de dos horas entre el inicio del primer viaje y el inicio del segundo.
- Si viaja de pie, permanezca detrás de la línea amarilla y sujétese firmemente del pasamanos.
- Los asientos prioritarios están reservados para las personas de edad avanzada y discapacitadas.
- Para avisar al conductor del autobús que desea bajar del autobús en la siguiente parada, tire del cable situado a lo largo de la parte superior de las ventanillas o presione el botón del pasamanos que conduce hacia la salida por la puerta posterior.
- ¿Planea viajar en Metrobus en forma habitual? Con una tarjeta SmarTrip®, puede ahorrar 20¢ en la tarifa del autobús cada vez que la utilice. Además, le permite pagar en forma más rápida. Para obtener más información acerca de SmarTrip®, visite www.wmata.com o llame al 202-637-7000 (TTY/teléfono de texto 202-638-3780).
- Para asegurar un viaje agradable para todos, es ilegal:
  - Comer o beber
  - Fumar
  - Escupir o arrojar basura
  - Utilizar equipos de audio o video sin audífonos
  - Subir al Metrobus con animales (con excepción de los animales de servicio)

Éstos son algunos consejos prácticos para que su viaje en Metrobus sea rápido y sencillo.

- Todos los pasajeros deben pagar la tarifa. Con cada pasajero que pague, pueden viajar gratuitamente hasta dos niños menores de cinco años.
- Tenga a la mano el costo exacto del boleto (cuando pague en efectivo), o un pase o tarjeta SmarTrip® válidos al momento de abordar.
- Para las transferencias de autobús a tren o de tren a autobús, Metro (como la mayoría de los sistemas de autobuses regionales) ofrece un descuento de 50¢ en el segundo viaje. Las transferencias entre autobuses son gratuitas a menos que el segundo autobús cueste más que el primero, en cuyo caso deberá pagar la diferencia. IMPORTANTE: Para realizar transferencias en forma gratuita o con descuento, deberá pagar la tarifa con una tarjeta SmarTrip®. No obtendrá este beneficio si paga en efectivo. El período de transferencia es de dos horas entre el inicio del primer viaje y el inicio del segundo.
- Si viaja de pie, permanezca detrás de la línea amarilla y sujétese firmemente del pasamanos.
- Los asientos prioritarios están reservados para las personas de edad avanzada y discapacitadas.
- Para avisar al conductor del autobús que desea bajar del autobús en la siguiente parada, tire del cable situado a lo largo de la parte superior de las ventanillas o presione el botón del pasamanos que conduce hacia la salida por la puerta posterior.
- ¿Planea viajar en Metrobus en forma habitual? Con una tarjeta SmarTrip®, puede ahorrar 20¢ en la tarifa del autobús cada vez que la utilice. Además, le permite pagar en forma más rápida. Para obtener más información acerca de SmarTrip®, visite www.wmata.com o llame al 202-637-7000 (TTY/teléfono de texto 202-638-3780).

Welcome to Metrobus

Here are some tips to make your ride on Metrobus easy and quick.

- Each customer must pay a fare. Up to two children under age five may ride free with a paying customer.
- Please have exact fare (when paying with cash), a valid bus pass or a SmarTrip® card ready when boarding.
- When transferring from bus-to-rail or rail-to-bus, Metro (and most regional bus systems) offers a 50¢ discount on the second trip. Transfers from bus-to-bus are free as long as the second bus does not cost more than the first bus. If it does, you must pay the difference. IMPORTANT: To get the discounted or free transfer, you must pay your fare with a SmarTrip® card. If you pay with cash, you will not get the discounted or free transfer. The transfer period is two hours between the start of the first trip and the start of the second trip.
- If standing, please stay behind the yellow line and hold a handrail securely.
- Priority seats are reserved for senior citizens and people with disabilities.
- To alert the bus operator that you want to get off at the next stop, pull the cord that runs along the top of the windows or press the button on the handrail leading out the back door.
- Are you planning to use Metrobus regularly? A SmarTrip® card saves you 20¢ on your bus fare every time you use it. And it makes paying your fare faster. For more information about SmarTrip®, visit www.wmata.com or call 202-637-7000 (TTY 202-638-3780).
- To ensure a pleasant ride for everyone, it is unlawful to:
    - ➤ Eat or drink
    - ➤ Smoke
    - ➤ Spit or litter
    - ➤ Play audio or video equipment without earphones
    - ➤ Bring animals (except service animals) onto Metrobus

Welcome to your Metrobus

Here are some tips to make riding easy and quick for you and your fellow customers

- Each customer must pay a fare. Up to two children under age five may ride free with a fare-paying customer.
- Please have exact fare when paying with cash, a valid weekly bus pass, a valid transfer or a SmarTrip® card ready when boarding.
- If you will be transferring to another bus, ask the bus operator for a transfer. It allows you to ride free within a two-hour time period (as shown on your transfer) following your first bus trip. If you use a SmarTrip® card to pay your fare and are transferring to Metrobus or DC Circulator, you do not need a paper transfer because your SmarTrip card "knows" that you are transferring and will not deduct value on the second bus.
- The regional bus systems - Metrobus, ART, TheBus, Connect-A-Ride, CUE, DASH, DC Circulator, Fairfax Connector, George, PRTC OmniRide/OmniLink and Ride On - honor each other's transfers. However, you must get a paper transfer and pay the difference in fare if you transfer from a lower priced route to a higher priced route.
- If standing, for your safety please stay behind the yellow line on the floor and hold a handrail securely.
- Please note that priority seats by the door are reserved for customers with disabilities and senior citizens.
- To alert the bus operator that you want to get off at the next stop, pull the cord that runs along the top of the windows or press the button on the handrail leading out the back door.
- To ensure a pleasant ride for everyone, please do not:
  - ➤ Eat or drink
  - ➤ Smoke
  - ➤ Spit or litter
  - ➤ Play audio or video equipment without earphones
  - ➤ Bring animals (except service animals) onto Metrobus

Using this timetable

- ☐ Use the map to find the stops closest to where you will get on and off the bus.
- ☐ Select the schedule (weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- ☐ Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- ☐ If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- ☐ The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

Welcome to Metrobus

Here are some tips to make your ride on Metrobus easy and quick.

- Each customer must pay a fare. Up to two children under age five may ride free with a paying customer.
- Please have exact fare (when paying with cash), a valid bus pass or a SmarTrip® card ready when boarding.
- When transferring from bus-to-rail or rail-to-bus, Metro (and most regional bus systems) offers a 50¢ discount on the second trip. Transfers from bus-to-bus are free as long as the second bus does not cost more than the first bus. If it does, you must pay the difference. IMPORTANT: To get the discounted or free transfer, you must pay your fare with a SmarTrip® card. If you pay with cash, you will not get the discounted or free transfer. The transfer period is two hours between the start of the first trip and the start of the second trip.
- If standing, please stay behind the yellow line and hold a handrail securely.
- Priority seats are reserved for senior citizens and people with disabilities.
- To alert the bus operator that you want to get off at the next stop, pull the cord that runs along the top of the windows or press the button on the handrail leading out the back door.
- Are you planning to use Metrobus regularly? A SmarTrip® card makes paying your fare faster. For more information about SmarTrip®, visit www.wmata.com or call 202-637-7000 (TTY 202-962-2033).
- To ensure a pleasant ride for everyone, it is unlawful to:
  - Eat or drink
  - Smoke
  - Spit or litter
  - Play audio or video equipment without earphones
  - Bring animals (except service animals) onto Metrobus

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

Welcome to your Metrobus

Here are some tips to make riding easy and quick for you and your fellow customers

- Each customer must pay a fare. Up to two children under age five may ride free with a fare-paying customer.
- Please have exact fare when paying with cash, a valid weekly bus pass, a valid transfer or a SmarTrip® card ready when boarding.
- If you will be transferring to another bus, ask the bus operator for a transfer. It allows you to ride free within a two-hour time period (as shown on your transfer) following your first bus trip. If you use a SmarTrip® card to pay your fare and are transferring to Metrobus or DC Circulator, you do not need a paper transfer because your SmarTrip card "knows" that you are transferring and will not deduct value on the second bus.
- The regional bus systems - Metrobus, ART, TheBus, Connect-A-Ride, CUE, DASH, DC Circulator, Fairfax Connector, George, PRTC OmniRide/OmniLink and Ride On - honor each other's transfers. However, you must get a paper transfer and pay the difference in fare if you transfer from a lower priced route to a higher priced route.
- If standing, for your safety please stay behind the yellow line on the floor and hold a handrail securely.
- Please note that priority seats by the door are reserved for customers with disabilities and senior citizens.
- To alert the bus operator that you want to get off at the next stop, pull the cord that runs along the top of the windows or press the button on the handrail leading out the back door.
- To ensure a pleasant ride for everyone, please do not:
  - Eat or drink
  - Smoke
  - Spit or litter
  - Play audio or video equipment without earphones
  - Bring animals (except service animals) onto Metrobus

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras

Bienvenido a su Metrobus

Éstos son algunos consejos prácticos para que su viaje en Metrobus sea rápido y sencillo.

- Todos los pasajeros deben pagar la tarifa. Con cada pasajero que pague, pueden viajar gratuitamente hasta dos niños menores de cinco años.
- Tenga a la mano el costo exacto del boleto (cuando pague en efectivo), o un pase o tarjeta SmarTrip® válidos al momento de abordar.
- Para las transferencias de autobús a tren o de tren a autobús, Metro (como la mayoría de los sistemas de autobuses regionales) ofrece un descuento de 50¢ en el segundo viaje. Las transferencias entre autobuses son gratuitas a menos que el segundo autobús cueste más que el primero, en cuyo caso deberá pagar la diferencia. IMPORTANTE: Para realizar transferencias en forma gratuita o con descuento, deberá pagar la tarifa con una tarjeta SmarTrip®. No obtendrá este beneficio si paga en efectivo. El período de transferencia es de dos horas entre el inicio del primer viaje y el inicio del segundo.
- Si viaja de pie, permanezca detrás de la línea amarilla y sujétese firmemente del pasamanos.
- Los asientos prioritarios están reservados para las personas de edad avanzada y discapacitadas.
- Para avisar al conductor del autobús que desea bajar del autobús en la siguiente parada, tire del cable situado a lo largo de la parte superior de las ventanillas o presione el botón del pasamanos que conduce hacia la salida por la puerta posterior.
- ¿Planea viajar en Metrobus en forma habitual? Con una tarjeta SmarTrip®, puede ahorrar 20¢ en la tarifa del autobús cada vez que la utilice. Además, le permite pagar en forma más rápida. Para obtener más información acerca de SmarTrip®, visite www.wmata.com o llame al 202-637-7000 (TTY/teléfono de texto 202-638-3780).
- Para asegurar un viaje agradable para todos, es ilegal:
  - ➤ Comer o beber
  - ➤ Fumar
  - ➤ Escupir o arrojar basura
  - ➤ Utilizar equipos de audio o video sin audífonos
  - ➤ Subir al Metrobus con animales (con excepción de los animales de servicio)

Welcome to Metrobus

Here are some tips to make your ride on Metrobus easy and quick.

- Each customer must pay a fare. Up to two children under age five may ride free with a paying customer.
- Please have exact fare (when paying with cash), a valid bus pass or a SmarTrip® card ready when boarding.
- When transferring from bus-to-rail or rail-to-bus, Metro (and most regional bus systems) offers a 50¢ discount on the second trip. Transfers from bus-to-bus are free as long as the second bus does not cost more than the first bus. If it does, you must pay the difference. IMPORTANT: To get the discounted or free transfer, you must pay your fare with a SmarTrip® card. If you pay with cash, you will not get the discounted or free transfer. The transfer period is two hours between the start of the first trip and the start of the second trip.
- If standing, please stay behind the yellow line and hold a handrail securely.
- Priority seats are reserved for senior citizens and people with disabilities.
- To alert the bus operator that you want to get off at the next stop, pull the cord that runs along the top of the windows or press the button on the handrail leading out the back door.
- Are you planning to use Metrobus regularly? A SmarTrip® card saves you 20¢ on your bus fare every time you use it. And it makes paying your fare faster. For more information about SmarTrip®, visit www.wmata.com or call 202-637-7000 (TTY 202-638-3780).
- To ensure a pleasant ride for everyone, it is unlawful to:
  - ➤ Eat or drink
  - ➤ Smoke
  - ➤ Spit or litter
  - ➤ Play audio or video equipment without earphones
  - ➤ Bring animals (except service animals) onto Metrobus

On four Federal holidays, Columbus Day, Veterans' Day, Martin L. King Day, and Presidents' Day, Metrobus will run on a Saturday supplemental schedule. On these holidays, the weekday trips will operate.

El Día de la Raza, el Día de los Veteranos, el Día de Martin Luther King Jr. y el Día de los Presidentes, Metrobus operará con el horario de entre semana en esta ruta.

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Use este mapa para localizar las paradas más cercanas a donde se subirá y bajará del autobús.
- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

METRO FACTS

How to use this schedule

First, look at the map. Find the stops along the route closest to your origin and destination points. Next, find the schedule block for the day (weekday, Saturday or Sunday) and the direction you want to travel. On that schedule block, find the intersection closest to your destination. Follow this column down until you find the time that is closest to when you want to arrive. Then move left across the page. Stop at the column listed under your starting point. This is the time you should be at the bus stop to board your bus. For a stop not listed, use the time for the stop just before yours as the time you should be at your bus stop. A stop listed in bold at the top of the schedule indicates it is the *end-of-the-line* for some trips. It is easy to identify the last stop on a trip—it is bold on the schedule and shown on the front and sides of Metrobuses.

Note: Schedules may change without notice. Please call Customer Information to verify schedule information.

- Use the map to find the stops closest to where you will get on and off the bus.

- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Reglas para los pasajeros

- Sírvase tener la tarifa exacta, el pase, la tarjeta de transferencia o de SmarTrip® en la mano cuando aborde al autobús.
- Si va a transferirse a otro autobús (y no usará la tarjeta SmarTrip®), pídale al conductor que le dé la transferencia gratuita cuando pague la tarifa. Con ésta, podrá transferirse gratuitamente a otro autobús regular durante las siguientes dos horas que se indiquen en la transferencia. Si usa la tarjeta SmarTrip® y desea transferirse a un autobús que no es Metro (como Ride On, The Bus o Fairfax Connector), pídale al conductor que le dé una transferencia en papel para terminar su viaje.
- Si tiene que permanecer de pie en el autobús, manténgase detrás de la línea amarillo y sujétese firmemente.
- Los asientos prioritarios están reservados para las personas con discapacidades y mayores.
- Acate la ley. No coma, beba, fume, escupa, tire basura ni encienda su equipo de audio o video sin los audífonos.

If you lost it on Metro, look for it online.

Metro's Lost and Found is now online. So if you lose something on Metrobus or Metrorail, you can go to MetroOpensDoors.com, click on the Lost and Found button and follow the easy search directions. So the next time you lose it, don't lose it.

Let Metro help you find it!

With it, you may transfer free to another regular bus within the two hour period shown on the transfer. If you use a SmarTrip® card and wish to transfer to a non-Metro bus (such as Ride On, The Bus or Fairfax Connector), ask the bus operator for a paper transfer to complete your trip.
- If you stand on the bus, please stay behind the yellow line and hold on securely.
- Priority seats are reserved for people with disabilities and senior citizens.
- Obey the law. Do not eat, drink, smoke, spit, litter or play audio or video equipment without earphones.

How to use this timetable

- ➤ Use the map to find the stops closest to where you will get on and off the bus.
- ➤ Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- ➤ Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- ➤ If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- ➤ The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- ➤ Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- ➤ Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- ➤ Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- ➤ El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

Welcome to Metrobus

Here are some tips to make your ride on Metrobus easy and quick.

- Each customer must pay a fare. Up to two children under age five may ride free with a paying customer.
- Please have exact fare (when paying with cash), a valid bus pass or a SmarTrip® card ready when boarding.
- When transferring from bus-to-rail or rail-to-bus, Metro (and most regional bus systems) offers a 50¢ discount on the second trip. Transfers from bus-to-bus are free as long as the second bus does not cost more than the first bus. If it does, you must pay the difference. IMPORTANT: To get the discounted or free transfer, you must pay your fare with a SmarTrip® card. If you pay with cash, you will not get the discounted or free transfer. The transfer period is two hours between the start of the first trip and the start of the second trip.
- If standing, please stay behind the yellow line and hold a handrail securely.
- Priority seats are reserved for senior citizens and people with disabilities.
- To alert the bus operator that you want to get off at the next stop, pull the cord that runs along the top of the windows or press the button on the handrail leading out the back door.
- Are you planning to use Metrobus regularly? A SmarTrip® card makes paying your fare faster. For more information about SmarTrip®, visit www.wmata.com or call 202-637-7000 (TTY 202-638-3780).
- To ensure a pleasant ride for everyone, it is unlawful to:
  - ➤ Eat or drink
  - ➤ Smoke
  - ➤ Spit or litter
  - ➤ Play audio or video equipment without earphones
  - ➤ Bring animals (except service animals) onto Metrobus

METRO FACTS

How to use this schedule

First, look at the map. Find the stops along the route closest to your origin and destination points. Next, find the schedule block for the day (weekday, Saturday or Sunday) and the direction you want to travel. On that schedule block, find the intersection closest to your destination. Follow this column down until you find the time that is closest to when you want to arrive. Then move left across the page. Stop at the column listed under your starting point. This is the time you should be at the bus stop to board your bus. For a stop not listed, use the time for the stop just before yours as the time you should be at your bus stop. A stop listed in bold at the top of the schedule indicates it is the *end-of-the-line* for some trips. It is easy to identify the last stop on a trip—it is bold on the schedule and shown on the front and sides of Metrobuses.

Note: Schedules may change without notice. Please call Customer Information to verify schedule information.

Metrobus Holiday Schedule

Saturday schedules are operated on these holidays: Martin Luther King, Jr. Day, Presidents Day, July 4th, Columbus Day and Veterans Day. Supplemental service is available on some routes. Sunday schedules are operated on these holidays: New Year's Day, Memorial Day, Labor Day, Thanksgiving Day and Christmas Day.

Rider Etiquette

When boarding, have your pass or exact cash in hand. Metrobus operators do not carry money. Move to the rear of the bus to avoid crowding at the front and stand behind the white line. Welcome to Metrobus

Here are some tips to make your ride on Metrobus easy and quick.

- Each customer must pay a fare. Up to two children under age five may ride free with a paying customer.
- Please have exact fare (when paying with cash), a valid bus pass or a SmarTrip® card ready when boarding.
- When transferring from bus-to-rail or rail-to-bus, Metro (and most regional bus systems) offers a 50¢ discount on the second trip. Transfers from bus-to-bus are free as long as the second bus does not cost more than the first bus. If it does, you must pay the difference. IMPORTANT: To get the discounted or free transfer, you must pay your fare with a SmarTrip® card. If you pay with cash, you will not get the discounted or free transfer. The transfer period is two hours between the start of the first trip and the start of the second trip.
- If standing, please stay behind the yellow line and hold a handrail securely.
- Priority seats are reserved for senior citizens and people with disabilities.
- To alert the bus operator that you want to get off at the next stop, pull the cord that runs along the top of the windows or press the button on the handrail leading out the back door.
- Are you planning to use Metrobus regularly? A SmarTrip® card makes paying your fare faster. For more information about SmarTrip®, visit www.wmata.com or call 202-637-7000 (TTY 202-638-3780).
- To ensure a pleasant ride for everyone, it is unlawful to:
  - ➤ Eat or drink
  - ➤ Smoke
  - ➤ Spit or litter
  - ➤ Play audio or video equipment without earphones
  - ➤ Bring animals (except service animals) onto Metrobus

Bienvenido a su Metrobus

Éstos son algunos consejos prácticos para que su viaje en Metrobus sea rápido y sencillo.

- Todos los pasajeros deben pagar la tarifa. Con cada pasajero que pague, pueden viajar gratuitamente hasta dos niños menores de cinco años.
- Tenga a la mano el costo exacto del boleto (cuando pague en efectivo), o un pase o tarjeta SmarTrip® válidos al momento de abordar.
- Para las transferencias de autobús a tren o de tren a autobús, Metr (como la mayoría de los sistemas de autobuses regionales) ofrece un descuento de 50¢ en el segundo viaje. Las transferencias entre autobuses son gratuitas a menos que el segundo autobús cueste más que el primero, en cuyo caso deberá pagar la diferencia. IMPORTANTE: Para realizar transferencias en forma gratuita o con descuento, deberá pagar la tarifa con una tarjeta SmarTrip®. No obtendrá este beneficio si paga en efectivo. El período de transferencia es de dos horas entre el inicio del primer viaje y el inicio del segundo.
- Si viaja de pie, permanezca detrás de la línea amarilla y sujétese firmemente del pasamanos.
- Los asientos prioritarios están reservados para las personas de eda avanzada y discapacitadas.
- Para avisar al conductor del autobús que desea bajar del autobús en la siguiente parada, tire del cable situado a lo largo de la parte superior de las ventanillas o presione el botón del pasamanos que conduce hacia la salida por la puerta posterior.
- ¿Planea viajar en Metrobus en forma habitual? Una tarjeta SmarTrip le permite pagar en forma más rápida. Para obtener más información acerca de SmarTrip®, visite www.wmata.com o llame al 202-637-7000 (TTY/teléfono de texto 202-638-3780).
- Para asegurar un viaje agradable para todos, es ilegal:
  - ➤ Comer o beber
  - ➤ Fumar
  - ➤ Escupir o arrojar basura
  - ➤ Utilizar equipos de audio o video sin audífonos
  - ➤ Subir al Metrobus con animales (con excepción de los animales de servicio)

Bienvenido a su Metrobus

Éstos son algunos consejos prácticos para que su viaje en Metrobus sea rápido y sencillo.

- Todos los pasajeros deben pagar la tarifa. Con cada pasajero que pague, pueden viajar gratuitamente hasta dos niños menores de cinco años.
- Tenga a la mano el costo exacto del boleto (cuando pague en efectivo), o un pase o tarjeta SmarTrip® válidos al momento de abordar.
- Para las transferencias de autobús a tren o de tren a autobús, Metro (como la mayoría de los sistemas de autobuses regionales) ofrece un descuento de 50¢ en el segundo viaje. Las transferencias entre autobuses son gratuitas a menos que el segundo autobús cueste más que el primero, en cuyo caso deberá pagar la diferencia. IMPORTANTE: Para realizar transferencias en forma gratuita o con descuento, deberá pagar la tarifa con una tarjeta SmarTrip®. No obtendrá este beneficio si paga en efectivo. El período de transferencia es de dos horas entre el inicio del primer viaje y el inicio del segundo.
- Si viaja de pie, permanezca detrás de la línea amarilla y sujétese firmemente del pasamanos.
- Los asientos prioritarios están reservados para las personas de edad avanzada y discapacitadas.
- Para avisar al conductor del autobús que desea bajar del autobús en la siguiente parada, tire del cable situado a lo largo de la parte superior de las ventanillas o presione el botón del pasamanos que conduce hacia la salida por la puerta posterior.
- ¿Planea viajar en Metrobus en forma habitual? Con una tarjeta SmarTrip®, puede ahorrar 20¢ en la tarifa del autobús cada vez que la utilice. Además, le permite pagar en forma más rápida. Para obtener más información acerca de SmarTrip®, visite www.wmata.com o llame al 202-637-7000 (TTY/teléfono de texto 202-638-3780).
- Para asegurar un viaje agradable para todos, es ilegal:
    - Comer o beber
    - Fumar
    - Escupir o arrojar basura
    - Utilizar equipos de audio o video sin audífonos
    - Subir al Metrobus con animales (con excepción de los animales de servicio)

How to use this timetable

- Use the map to find the stops closest to where you will get on and off the bus.
- Select the schedule (Weekday, Saturday, Sunday) for when you will travel. Along the top of the schedule, find the stop at or nearest the point where you will get on the bus. Follow that column down to the time you want to leave.
- Use the same method to find the times the bus is scheduled to arrive at the stop where you will get off the bus.
- If the bus stop is not listed, use the time shown for the bus stop before it as the time to wait at the stop.
- The end-of-the-line or last stop is listed in ALL CAPS on the schedule.

Cómo Usar este Horario

- Seleccione el horario (Entre semana, sábado, domingo) de cuando viajará. A lo largo de la parte superior del horario, localice la parada o el punto más cercano a la parada en la que se subirá al autobús. Siga esa columna hacia abajo hasta la hora en la que desee salir.
- Utilice el mismo método para localizar las horas en que el autobús está programado para llegar a la parada en donde desea bajarse del autobús.
- Si la parada del autobús no está listada use la hora que se muestra en la parada anterior como la hora de espera en la parada.
- El final de la ruta o la última parada del autobús aparece en letras MAYÚSCULAS en el horario.

METRO FACTS

How to use this schedule

First, look at the map. Find the stops along the route closest to your origin and destination points. Next, find the schedule block for the day (weekday, Saturday or Sunday) and the direction you want to travel. On that schedule block, find the intersection closest to your destination. Follow this column down until you find the time that is closest to when you want to arrive. Then move left across the page. Stop at the column listed under your starting point. This is the time you should be at the bus stop to board your bus. For a stop not listed, use the time you should be at your just before yours as the time you should be at your bus stop. A stop listed in bold at the top of the schedule indicates it is the *end-of-the-line* for some trips. It is easy to identify the last stop on a trip—it is bold on the schedule and shown on the front and sides of Metrobuses.

Note: Schedules may change without notice. Please call Customer Information to verify schedule information.
